Fashioned by Adversity.

Mr. man never found himself until he lost all he had. Adversity stripped him only to discover him. Hardships and obstacles are the malice and chisel which shape strong lives into beauty. The hardships of poverty may bring out the diamond in us. We always do our best while fighting desperately and faithfully to attain what the heart covets.

Enormous Demand for Matches.

The consumption of matches has reached amazing proportions. According to the Lancet, about 15,000,000 gross of boxes are consumed per annum. 63 per cent of which were of the "strike anywhere" and 77 per cent of the safety variety. This is 2,592,000,000 boxes and more than 500,000,000,000 matches. Friction matches were first used in 1823.

Wet Clear Through.

A little girl was playing at the table with her cup of water. Her father took the cup from her and in so doing accidentally spilled some of the water on her. "There," she cried, as she left the table indignantly, "you wet me clear to my feelings!"

Man Coughs And Brains Ribs.

After a frightful coughing spell a man in Newburgh, Wis., felt terrible pains in his sides and his doctor found two ribs had been broken. What agony Dr. King's New Discovery would have saved him. A few teaspoonfuls ends a late cough, while persistent use routes obstinate coughs, expels spasm-borne cures or heals weak, sore lungs. "I feel sure it's a Godsend to humanity," writes Mrs. Effie Morton, Columbia, Mo., "for I believe I would have consumed today, if I had not used the 'New Discovery'." Its guaranteed to satisfy, and you can get a free trial bottle or 50c or \$1.00 size at all druggists.—Adv.

Owne a Cat With a Long "Recipe."

One of the officers of the Cat club heard that an east side woman has an exceptionally valuable cat which might be exhibited at the forthcoming cat show, and called her on the telephone to inquire about it. "Yes, he's a valuable cat," the woman replied. "We wouldn't take \$200 for him. We paid \$50 for him when he was a little kitten, and he's got a long recipe."

For an Impaired Appetite.

To improve the appetite and strengthen the digestion try a few doses of Chamberlain's Tablets. Mr. J. H. Seitz, of Detroit, Mich., says: "They restored my appetite when impaired, relieved me of a bloated feeling and caused a pleasant and satisfactory movement of the bowels." For sale by all dealers.—Adv.

Worth Knowing.

The more recent discussions as to the cat's age have placed the time as follows: Lord Kelvin, in 1862, 30,000,000 to 400,000,000 years, with a probable 98,000,000; in 1897 Lord Kelvin revised his figures to 20,000,000 to 40,000,000 years; Clarence King and Carl Varus, in 1893, 24,000,000 years; De Lapparent, in 1890, 67,000,000 to 90,000,000 years; Charles D. Walcott, secretary of the Smithsonian Institution, in 1893, maximum age, 70,000,000 years.

Indigestion and Constipation.

"About five years ago I began taking Chamberlain's Tablets after suffering from indigestion and constipation for years without finding anything to relieve me. Chamberlain's Tablets helped me at once and by using them for several weeks I was cured of my complaint," writes Mrs. Mary E. McMullen, Phelps, N. Y. For sale by all dealers.—Adv.

Here at Home.

Manning Citizens Gladly Testify and Cordially Recommend Doan's Kidney Pills.

It is testimony like the following that has made Doan's Kidney Pills so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Manning citizen: "My kidneys were badly disordered and the kidney secretions contained sediment. I had backache and pains in my loins. When I heard of Doan's Kidney Pills, I began to use them and was long before the backache and lameness left me, together with the other symptoms of kidney complaint. I know what Doan's Kidney Pills will do and I am convinced of their merit."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hill had. Foster-Milburn Co., Props., Buffalo, N. Y.

Sweet Clover for Linen.

Gather branches of flowering clover and dry them for your linen chest and shelves. Tie them up in bags of cheesecloth and spread them between sheets and table linen and underwear and you will find the linen sweeter and daintier than it is under the influence of lavender.

Move on Now!

says a policeman to a street crowd, and whacks heads if it don't. "Move on now," says the harsh minor pills to bowel congestion and suffering follows. Dr. King's New Life Pills don't bulldoze the bowels. They gently persuade them to right action, and health follows. 25c at all druggists.—Adv.

Serpent in Old Legends.

The serpent was among the gods of the Land of Egypt, where Moses led his people, and they found it among the gods of the land they were to subdue. Cadmus, the Phoenician who founded letters, became a serpent. Lovers of Wagner will not fail to recall that Alberich transformed himself into a "worm" to guard the stolen Rhinegold. But the trail of the serpent may also be traced through the legends of Greece, or for that matter through those of the earlier American peoples.

Makes The Nation Gasp.

"The awful list of injuries on a Fourth of July staggers humanity. Set over the list is a bright trail and even temper. Her peach-bloom complexion and ruby lips result from her pure blood; her bright eyes from restful sleep; her elastic step from firm, free muscles, all telling of the health and strength Electric Bitters give a woman, and the freedom from indigestion, backache, headache, fainting and dizzy spells they promote. Everywhere they are woman's favorite remedy. If weak or ailing try them. 50c at all druggists.—Adv.

Would Make Reparation.

We told a proud father the other day that his baby was a perfect image of him. It pleased the father, but we are going to apologize to the kid as soon as he gets old enough to understand.—Exchange.

Ends Hunt For Rich Girl.

Often the hunt for a rich wife ends when the man meets a woman that uses Electric Bitters. Her strong nerves and a bright brain and even temper. Her peach-bloom complexion and ruby lips result from her pure blood; her bright eyes from restful sleep; her elastic step from firm, free muscles, all telling of the health and strength Electric Bitters give a woman, and the freedom from indigestion, backache, headache, fainting and dizzy spells they promote. Everywhere they are woman's favorite remedy. If weak or ailing try them. 50c at all druggists.—Adv.

Lacrosse the Red Men's Game.

Lacrosse is the national ball game of Canada. It came from the aboriginal red men, who doubtless played it for many centuries before the discovery of the new world. Different tribes played it in different ways, and it was usually very rough. The name was given to it by the French Canadians, who saw the resemblance between the curved netted stick used in playing it and a bishop's crozier or crosse.

Only One Entirely Satisfactory.

"I have tried various colic and diarrhoea remedies, but the only one that has given me entire satisfaction is Chamberlain's Colic, Cholera and Diarrhoea Remedy. I recommend it to my friends at all times," writes S. N. Galloway, Stewart, S. C. For sale by all dealers.—Adv.

MRS. WINN'S ADVICE TO WOMEN

Take Lydia E. Pinkham's Vegetable Compound and be Restored to Health.

Kansas City, Mo.—"The doctors told me I would never be a mother. Every month the pains were so bad that I could not bear my weight on one foot. I began taking Lydia E. Pinkham's Vegetable Compound and had not finished the first bottle when I felt greatly relieved and I took it until it made me sound and well, and I now have two fine baby girls. I cannot praise Lydia E. Pinkham's Vegetable Compound too highly for what it has done for me. I always speak a word in favor of your medicine to other women who suffer when I have an opportunity."

—Mrs. H. T. WINN, 1225 Fremont Ave., Kansas City, Mo.

Read What Another Woman Says:

Cumming, Ga.—"I tell some suffering woman every day of Lydia E. Pinkham's Vegetable Compound and what it has done for me. I could not eat or sleep, had a bad stomach and was in misery all the time. I could not do my housework or walk any distance without suffering great pain. I tried doctors' medicines and different patent medicines but failed to get relief. My husband thought I was crazy. I began taking Lydia E. Pinkham's Vegetable Compound and in two weeks I could eat anything, could sleep like a healthy baby, and walk a long distance without feeling tired. I can highly recommend your Vegetable Compound to women who suffer as I did, and who are at liberty to use this letter."

—Mrs. CHARLES EAGLEY, R. 3, Cumming, Ga.
